- Anne Jordan** I am very upset that they are allowing Wuerl to participate in this. And also that he said Christmas Mass on EWTN. They are putting EWTN in an awful position. The ugly, corrupt bishops and cardinals have always hated EWTN and made Mother Angelica's life very tough.

- Anne Jordan** Amen and thank you, Father Mark. This is appalling and so was Wuerl saying Christmas Mass at the Basilica in DC on Christmas Day. I was so disappointed in their laxity. I was saddened that EWTN had to carry it.

Timothy Hamon Thank you for coming up with a battle plan. I have heard many people talk about the problem, but I have not heard a clear and direct plan of action. I will send my picture and you can count on me to be part of the brigade.

Leilani Curtis St. Maximilian called his group the Militia of the Immaculata. I like the idea of a Militia. That got me thinking about another group I support, the Church Militant, started by Michael Voris. If you haven't heard of him check it out. You could be allies in the struggle to return the church to holiness.
