

Dear xxxxxxx,

Thank you for your email. On behalf of Bishop Byrne I write to inform you that I understand your concern regarding being vaccinated against the COVID virus, however there is no religious exemption for the vaccine. All of the bishops of the Boston Metropolitan Province (including Bishop Byrne) have received the vaccine. Therefore, it would be somewhat hypocritical of him to sign a letter of exemption.

Receiving or not receiving the vaccine is a personal choice.

Thank you,

Stacy
